Subject : New Item of Expenditure 1947-48
Maize Breeding work on Arbhavi Farm.

No.S-17-c of 1947.

Poona, 23 ~~December~~ July, '47.

The Deputy Director of Agriculture, S.D., Dharwar, has approached me for sanctioning a post of Agricultural Assistant in the scale of Rs.35-5/2-60-E.B.-4-100 for Maize Breeding Work on Arbhavi Farm. The Maize Breeding Work has been carried on the Arbhavi Farm and a temporary post of Agricultural Assistant has been created by me under delegation powers to attend to this work on a proposal having been received from the Deputy Director of Agriculture, S.D., Dharwar, that wholetime Agricultural Assistant for the efficient conduct of maize breeding work was quite essential. The Plant Breeding and Plant Improvement Committee has examined this work which is developing very satisfactorily and decided that this work should be conducted in both kharif as well as rabi seasons. I am attaching a copy of extract from endorsement No.45/10252 of 20-9-1946 from the Deputy Director of Agriculture, C.R., B.P., Poona, which gives the details of programme of work. I would therefore propose that a post of one Agricultural Assistant in the grade of Rs.35-5/2-60-E.B.-4-100 may be sanctioned. The extra cost involved is as under

I have proposed necessary provision against Serial No.2 of the list of New Items of Expenditure for the year 1947-48 submitted to Government under my letter No.P-4(3) of 6-12-1946 The expenditure is debitable to the head 40-Agriculture - D-Experimental Farm. I would request that Government may please be moved to approve of my proposal and to make provision of Rs.899/- under the head 40-Agriculture - D-Experimental Farm in the budget estimates of expenditure for the year 1947-48.

The favour of early orders of Government is solicited.

For Director of Agriculture.

Copy forwarded with compliments to the Deputy Director of Agriculture, S.D., Dharwar, for information with reference to his letter No.15493 of 27-8-1946.

The maize breeding work at Arbhavi is developing very satisfactorily. This will be evident from the following programme of work :-

(1) Pure inbreds promising very high yielding combinations are on hand.

(2) Trials of various combination are in progress. Double crosses are also being tested for yield.

(3) Trials of inter provincial and exotic material are in progress.

(4) Selection in fresh bulk samples from Bombay Province has also been initiated.

(5) Experiments to evolve methods for the cheap production of hybrid seed are under way.

(6) Mass selection in local maize is started.

(7) Trials of Sumeri maize at Arbhavi are repeated.

It is absolutely essential to continue the post of the Agricultural Assistant and provide funds for the same.

Dharwar, the Dir. of Agrl. has recommended a new post of agricultural assistant in the scale of Rs.35-5/2-60-EB-4-100 for the Maize breeding Work on Arbhavi Farm from 1-3-1947 to 29-2-1948 The post has been sanctioned by the Dir. under the powers delegated to him. In view of the useful work being done at the farm the Dirs. proposal may be sanctioned. The cost will be Rs.899. Since it would not now be possible to include the provision in the next years budget estimates, the Dir. may be asked to take it into account in his revised estimates for the next year. No. Res/212-Arbhavi/2060 of 1950. Poona, 2nd March, 1950.

Reference Government letter No. 1220/187-A, dated the 24th January, 1947.

Sanction was accorded to the continuance of the post of Agricultural Assistant in the scale of Rs 35-5/2-60-E.B.-4-100 (old) sanctioned under the powers delegated to me for maize breeding work on the Arbhavi farm, from the 1st March, 1947, to the 28th February, 1948. On the termination of this sanctioned period, the Superintendent, Agricultural School, Arbhavi, had approached me for the continuance of the post of Agricultural Assistant beyond 28th February, 1948, as he felt the services of the Agricultural Assistant to be absolutely necessary to cope up with the various items of work undertaken at the Agricultural School. I had allowed him to continue the services of the Agricultural Assistant beyond 28th February, 1948, but Government's sanction for the same remained to be obtained through oversight which is regretted.

I am now to request that Government may please be moved to accord ex-post-facto sanction to the continuance of the post of Agricultural Assistant in the scale of Rs 55-3-85-E.B.-4-125-5-140, at the Agricultural School, Arbhavi, from the 1st March, 1948, to the 28th February, 1950. This post of Agricultural Assistant has been discontinued from the 1st March, 1950, as the services of the Agricultural Assistant were found to be no more necessary at the School and the incumbent of this post has already been transferred to some other scheme from the 1st March, 1950.

As the post in question has already been continued beyond the sanctioned period, & has since been abolished with effect from 1st March 1950, there is no other alternative than to accept the A.+F.D. proposal. The proposal may therefore, be accepted in this Deptt.

2. It is not, however, clear why the Dir. of Agrc. continued the post for about two yrs. without any sanction. The powers delegated to him as stated in para 2 of his letter upto 28th Feb. 1948 & he should

The A+F.D. may, therefore, be requested to enquire as to why the post was continued beyond the sanctioned period, if such a sanction was necessary, and to issue suitable instructions to the officers under its control so as to avoid recurrence of similar cases. If approved the A.+F.B. may be advised accordingly.
